OBITUARY

Rodney Purvis who passed away April 22nd, was born in 1836 at Cardington, Ohio. In 1856 he was united in marriage to Sarah Ann Terry of Akron, Ohio. At the outbreak of the war he enlisted and served three years and re-enlisted and served two years more, receiving his second discharge when Lee surrendered in 1865. On his return from the war he came to Michigan and located on his farm two miles south of Alma, where he remained until 1901 when he came to Alma where he has since resided.

He has been in poor health for the past year but has been able to get about until two weeks ago. Mr. Purvis was a congenial neighbor and a loving parent, respected by all who knew him. He was a member of the Christian church and always lived up to his belief. He leaves to mourn three daughters, Mrs. W. H. Miner, Mrs. Wm. Burgess and Mrs. Will Godfrey.

It improves the blood, cleans the stomach, regulates the bowels, helps the appetite, gives you up. You work better—feel better—look better. Hollister's Rocky Mountain Tea, a real spring tonic. 35c. Look-Paterson Drug Co.

PUBLIC INVITED

The Friday lectures at Alma college are intended to interest towns people as well as students. On May 12, at eleven o'clock the Rev. Dr. H. R. Stark of Saginaw will speak on "Ruskin, the Man and His Message." Though Ruskin seems to be best known as a writer of wonderful prose, his efforts at community betterment, and his opinion on economic subjects, make his life interesting to any business man or householder in Alma.

At eleven o'clock on May 19, Mr. Lee M. Hutchins of the Hazeltine & Perkins Drug company of Grand Rapids, a successful business man, will speak to the subject, "Are We Money Chasers?"

ENTERTAIN GARDEN CLUB

Mrs. Francis King entertained the Garden Club at luncheon at her home on North State st. last Thursday afternoon. A large number of the club members were present and excellent plans were laid for improving the beauty of the city.

STOMACH TROUBLE

A household remedy of the French peasant, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Mayr's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction. adv.—4
For sale by Chas. G. Rhodes and all other reliable druggists.

SILK HATTED CROOKS.

The Bad, Bold, Debonair Criminals Are a Class of the Past.
The silk hatted, bewhiskered, high class crook has shaken the New York dust off his spots and disappeared. He is absolutely extinct. A modern criminal who can boast a good suit of clothes now is termed "Raffles," or if he is suspected of wearing what some call a dress suit he is a "gentleman burglar." Usually he "Raffles" a couple of times, making a few small cleanups, and is netted, arraigned and sent away to a place where he gets his hair cutting and clothes pressing done free.

There are plenty of free lances or crime circulating around where legal tender or other valuables can be annexed by a little exertion at some risk, and the old time bands of bold, bad, debonair knights of dark deeds have faded away. There are plenty of men who shirk through what is vaguely termed "the underworld" and who take a desperate chance at impromptu crimes, robberies, holdups or sneak thief jobs, which suddenly come under their attention.

These men are not the same caliber as the big criminals of thirty years ago, although occasionally one of the modern specimens stumbles upon a rich haul. The police say up to date methods have driven them from the game. The green goods men and gold brick canvassers have followed the bison and the Indian over the last frontier as an organized criminal industry. The "wireless" wiretappers have been hunted down and out. The band has been dispersed to various iron barred havens of rest, leaving the country capitalist safe to wander through Manhattan without being tempted to play the races on some intercepted tip.—New York Cor. Pittsburgh Dispatch.

\$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the mucous surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Can You Afford Any but a Titan Kerosene Engine?

AT present average prices for kerosene and gasoline, Titan kerosene engines save their owners about 1.1c. per horse power per hour over gasoline engines.

Figure it this way. On an 8-horse engine the saving is 8.8c. an hour, 88c. in a 10-hour day, \$88 in 100 days of work. Say that is all your engine does in a year.

It would cost you \$88 more than you need to pay, to run an 8-horse gasoline engine one year. That is more than a third of the price of the engine. Can you afford to throw away \$88 a year? Can you afford even to think of buying a gasoline engine, when you can get a Titan that uses kerosene? See the Titan dealer and talk this over. He has some interesting figures to show you.
